

Communities

1. What is a community?
2. What roles does a community play in the lives of individuals (how are people affected by the community they live in)?
3. What roles does an individual have in a community?
4. Do you think that communities are important? Why?

Communities Note

- ① - Town/City (live) - Housing/Club
- Group (gang) (associate)
- Apartment w others
- a large group of people, where they know each other → help, interact
- have an structure/infrastructure (schools etc)
- different rules ^(who is in charge...) for different communities

② role of community to people

- change actions/personality
- people are influenced by actions of others in community (majority)
- can help people → care/work/food
- communities can hurt/punish/repress people as well
- affects your day to day life (G or B)

* Puts rules in place *

- ③ ind. shape community
- contribute work to it
 - ↳ products → not litter
 - responsibility → upkeep comm.
(recycle)
 - ↳ FUTURE keep it!
 - role model for community
 - show respect (elder to others) & follow rules
(Rules = safety)

Are comm. important? Why?

- Yes → friends/family = happy/
 - safe + healthy (tribes)
 - learn from each other
 - meet people
- No → don't want other people
